Warning:

- ***For safety reasons, convertible top may only be opened or closed when vehicle is stationary.***
- ***If opening or closing is interrupted, convertible top may spring and thus be lowered.***
- ***Never drive as long as convertible top is not completely opened or closed.***
- ***Do not attempt to close convertible top when anti-roll bar is activated.***
- ***When opening or closing convertible top, make sure nobody gets injured by convertible top, convertible rods or moving covers at rear side windows.***
- ***Do not open or close convertible top when vehicle is on a lift, a floor jack or over one side on curb.***
